Experience

Graphics Designer Intern - Gizah

Jan - March 2020

I helped the company out with the visualization of their website and how to display their information cohesively.

Graphics Designer Intern and Freelancer - Hellocomputer

Oct- December 2019

I was part of the design team at Hellocomputer. I worked on brand such as Toyota and Appletiser. I also created content for their Toyota's Instagram, Twitter, Facebook and Youtube page.

Wireman - Micropower

June - July 2019; Nov - Dec 2018.

I worked during my holidays. This company is an electronics manufacturing company. I worked on the wiring of electronic systems and the assembly of PCBs.

Achievements

Commisioned Paintings(Oil) - Private

December 2015; January 2016

I was asked to do a painting of the main character from Breaking Bad and Game of Thrones.Both were oil paintings and the Breaking Bad painting was 2m x 1m.

Art Displayed at Exhibition - Cameron Art Studios

July 2015

Two of my pieces was put up at an exhibition with other talented artists from Johannesburg.
